The US Open Rules & Competitions:

If you are looking for the petition to change WSDC levels, that can be found here:

Divisions Open to Petitions:

- **Young Adult Division** – It is not the intention of the US Open to break up partnerships when one partner has aged out
- **Strictly Lindy, Shag, and Hand** – because these genres have a smaller dance population, the US Open may approve a petition for someone to dance under the age of 14

Complete this petition application and email to: ruth@godanceusa.com

You must make your request prior to September 1st.
